Education

Texas Tech University, *Lubbock, TX*
Doctor of Education (Ed.D.), Instructional Technology
Minor: Management Information Systems

University of Texas, *Austin, TX*
Bachelor of Arts (B.A.) Government
Minor: Asian Studies

Skills

Leadership:
- Strategic planning and vision setting
- Organizing knowledge and learning systems
- Building trust and sustained partnerships
- People management and coaching
- Emerging technology vision and direction
- Organizational change management

Operations:
- End-to-end portfolio and program management
- Operational systems design and optimization
- Performance assessment and data analysis
- Vendor and contract management
- Budget and resource management
- AI tools research, evaluation, and application

Professional Experience

07/2026 – present
Contract
Remote

Lead Learning Experience Designer **— General Assembly, Learning Design & Development**
Lead the development of AI-focused training programs that are scalable and aligned with market needs for large enterprise clients.

07/2020 – 06/2025
Full-time
Washington, DC

Director, Strategic Digital Learning Initiatives **— The George Washington University (GWU), Libraries**
Defined strategy and led the roadmap for digital and AI literacy programs, and in parallel transformed online learning operations reducing project delivery **time by 55%** and **costs by 50%** through systems redesign and team development.

12/2020 – 02/2021
Contract
Washington, DC

Learning Design Consultant **— Global Initiative for Fiscal Transparency (GIFT), MOOC Development Team**
Provided strategic instructional and multimedia design expertise for a training initiative on fiscal policy and tax administration.

12/2018 – 06/2020
Full-time
McLean, VA

Manager, Finance Learning and Development **— Booz Allen Hamilton (BAH), Learning & Development**
Managed a multi-modal finance curriculum serving **200+ professionals**, designed new training, ran learning operations, and organized competency-based content across digital platforms to ensure discoverability across finance teams and others.

09/2014 – 09/2018
Full-time/Contract
Washington, DC

Projects Officer, Instructional Designer **— International Monetary Fund (IMF), Capacity Development**
Inaugural role leading the design to delivery of the first **8 MOOCs** for a new digital learning initiative serving government officials, established content standards, set media approach, set project management workflows, and enabled **200% growth**.

03/2013 – 01/2014
Full-time
Cambridge, MA

Instructional Designer **— Massachusetts Institute of Technology (MIT), Skoltech Initiative**
Contributed to the programmatic vision and curriculum design for **5 new graduate engineering programs**, partnering with faculty to build interdisciplinary curriculum integrating technology, business, entrepreneurship, and systems design.

01/2009 – 04/2013
Part-time
Lubbock, TX

Graduate Instructor **— Texas Tech University (TTU), College of Education**
Served as Instructor of Record for sections of an undergraduate course on integrating digital technologies in K-12 teaching.

08/2008 – 05/2010
Part-time
Lubbock, TX

Graduate Assistant **— Texas Tech University (TTU), College of Education**
Synthesized and wrote about research findings on educational technology applications for adult and child learners.

08/2005 – 07/2007
Full-time
Shenyang, Liaoning, China

Instructor **— Shenyang Normal University, College of Business**
Served as Instructor of Record for first-year undergraduate business students, teaching conversational English and writing skills.

08/2004 – 07/2005
Full-time
Pingdingshan, Henan, China

Instructor **— Pingdingshan #1 Senior Middle School**
Taught spoken English and American culture to high school students.

08/2003 – 07/2004
Full-time
Pingdingshan, Henan, China

Instructor **— Wellent Bilingual School**
Taught basic conversational English skills to kindergarten through grade 9 students in a bilingual educational setting.

Leadership and Service

Association of College and Research Libraries (ACRL)

10/2024 – 05/2025 ACRL/PPIRS AI Literacy Discussion Group – Member

George Washington University (GWU)

03/2025 – 04/2025 Excellence in Student Life Awards, *Reviewer*

08/2024 – 12/2024 Generative Artificial Intelligence (genAI) Staff Working Group, *Chair*

01/2024 – 06/2025 Generative Artificial Intelligence (genAI) in Teaching, *Chair and Member*

01/2024 – 06/2025 Open Source Program Office, *Member*

01/2024 – 01/2025 University Integrity and Conduct Council, *Panelist*

06/2023 – 05/2024 EPT Sub-committee, Generative Artificial Intelligence, *Member*

12/2022 – 06/2025 Education Policy and Technology Committee (EPT), *Member*

04/2021 – 06/2025 Instructional Innovation Committee, *Member*

International Monetary Fund (IMF)

2018 Blockchain and Cryptocurrency, Learning App, *Member*

2017 – 2018 Effective Teaching Seminar Series, *Member*

Texas Tech University (TTU)

01/2011 – 06/2011 Organizational Committee on Technology Integration, *Member*

01/2011 – 06/2011 Learning Management System Assessment Committee, *Member*

01/2011 – 06/2011 Mobile Learning Initiative, *Member*

05/2010 – 01/2011 College of Education, Dean's Search Committee, *Member*

09/2010 Education Graduate Student Organization, *Member*

04/2010 – 06/2010 Education Graduate Student Organization (EGSO), *Officer, Webmaster*

Peer Reviewer

04/2026 Metacognitive Instructional Regulation Agents (MIRA) Lab, *Simulation Reviewer*
Dr. Ji Hyun Yu, Lab Director and Principal Investigator
University of North Texas, College of Information

Funded Grants

Torres, J., Guiriec, S. (2021). Adobe Digital Literacy Initiatives. *Faculty development supporting the GW/Adobe creative initiative in science: Embedding the Adobe Creative Cloud in GW Physics courses, research and astronomy* **($25,000)**.

Teaching Experience

SP 2009 – SP 2013 Educational Instructional Technology, EDIT 3318
Texas Tech University, College of Education

FA 2005 – SP 2007 Spoken English and American Government
Shenyang Normal University, College of Business, Shenyang, Liaoning, China

FA 2004 – SP 2005 Spoken English and Western Culture (Grades 10–12)
Pingdingshan #1 Senior Middle School, Pingdingshan, Henan, China

FA 2003 – SP 2004 Spoken English (Grades K–9)
Wellent Bilingual School, Pingdingshan, Henan, China

Teaching Recognition

04/2010 Helen DeVitt Jones Excellence in Graduate Part-Time Teaching Award
Texas Tech University, College of Education

05/2005 Model Foreign Teacher of Henan Province (Nominated)
Pingdingshan #1 Senior Middle School, Pingdingshan, Henan, P.R. China

Conference Presentations and Proceedings

Torres, J. (2014, Accepted). *Preparing engineering students for real-world innovation through innovative educational design.* Paper presented at the 10th International CDIO Conference, Universitat Politècnica de Catalunya, Barcelona, Spain, June 16-19, 2014.

Case, D.E., Crooks, S., Chen, X., Ford, S., Han, N. & **Torres, J.** (2012). *Effects of spoken vs. written text on the quality of discussion in online discussion boards.* In P. Resta (Ed.), Proceedings of Society for Information Technology & Teacher Education International Conference 2012 (pp. 14-18). Chesapeake, VA: AACE

Workshops

2025	Leveraging Generative AI in Educational Media Design	The George Washington University, Libraries and Academic Innovation
2024	Faculty forum: generative AI (genAI)	The George Washington University, Libraries and Academic Innovation
2024	Ethical Issues and Use of genAI in Education	The George Washington University, Libraries and Academic Innovation
2024	Generative AI: a tool or a Partner?	The George Washington University, Libraries and Academic Innovation
2024	Human-centric Pedagogies with genAI	The George Washington University, Libraries and Academic Innovation
2024	Instructional Design with ChatGPT	The George Washington University, Libraries and Academic Innovation
2024	Storytelling and Media Design with genAI	The George Washington University, Libraries and Academic Innovation
2024	Types of Learning Partnership with genAI	The George Washington University, Libraries and Academic Innovation
2023 – 2024	genAI for Personalized Student Learning	The George Washington University, Libraries and Academic Innovation
2023 – 2024	Plan a Digital Project for Your Course	The George Washington University, Libraries and Academic Innovation
2023 – 2024	Is a Digital Project Right for My Course?	The George Washington University, Libraries and Academic Innovation
2023	Code Smarter, Not Harder: Leveraging AI for Enhanced Programming	The George Washington University, Libraries and Academic Innovation
2021 – 2022	Communicating with Digital Media: Creating a Space to Inspire	The George Washington University, Libraries and Academic Innovation
2021 – 2022	Communicating with Digital Media: Crafting a Message for Video	The George Washington University, Libraries and Academic Innovation
2019 – 2020	Fundamentals of Cost/Price Strategy	Booz Allen Hamilton, Learning and Development
2019 – 2020	Executive Financials	Booz Allen Hamilton, Learning and Development

Invited Presentations and Panels

Spring 2025	Future practice in Maternal and Child Health with Generative AI	The George Washington University, Milken Institute School of Public Health
09/2024	Generative AI for the Public Health Classroom	The George Washington University, Milken Institute School of Public Health
05/2024	Re-imagining Economics Instruction with genAI	The George Washington University, Columbian College of Arts and Sciences, Department of Economics
04/2024	The Enduring Fog of War: AI and the Future of Humans in National Security	The George Washington University, AI and Humanities Seminar Series
04/2024	Enhancing Education with LLMs: Innovative Approaches in Engineering Pedagogy	American Society for Engineering Education, 2024 Annual Conference

Invited Presentations and Panels, Continued

02/2024	Using genAI to Re-imagine Learning Activities The George Washington University, Milken Institute School of Public Health
10/2023	Tools and Strategies for AI-Powered Coding: An Overview The George Washington University, School of Engineering and Applied Sciences
10/2023	Partners in the Creation of Learning Experiences The George Washington University, Instructional Innovation Committee
10/2023	Using Generative AI in Humanities Classes: A Primer The George Washington University, AI and Humanities Seminar Series
09/2023	Integrating genAI into the Learning Experience The George Washington University, School of Media and Public Affairs
09/2023	Digital Fluency at GWU: Enhancing Teaching with Digital Projects The George Washington University, Columbian College of Arts and Sciences
09/2012	Investigating How Electronic Learning and Mobile Learning May Jointly Support the Development of Online Learning Communities Southwest Educational Research Association
04/2010	Creating Instructional Videos Texas Tech University, Professional Workshop Series
09/2009	TTU Educational Research Conference Texas Tech University, College of Education
06/2007	3rd Annual Liaoning TESOL Symposium Shenyang Normal University and the U.S. Department of State
06/2006	2nd Annual Liaoning TESOL Symposium Shenyang Normal University and the U.S. Department of State

Technical Skills

Languages:	HTML/CSS · Python
Productivity:	Microsoft Office · Google Workspace · OmniGraffle · Microsoft Visio · Microsoft Visual Studio · PyCharm · Obsidian
Authoring:	Articulate 360 · Adobe Captivate · Camtasia · ScreenFlow
Projects:	Microsoft Teams and SharePoint · Monday.com · Miro · Notion
Creative:	Adobe Creative Cloud (Photoshop, Premiere Pro, InDesign, Express) · Figma · Frame.io
LMS+CMS:	Canvas · Blackboard · edX · Cornerstone · Moodle · Degreed · Drupal · Wordpress
AI tools:	**Anthropic Claude (Chat, Cowork, & Code)** · Google Gemini · OpenAI ChatGPT · Microsoft Copilot · Google Stitch · Google NotebookLM · Adobe Firefly
Experience:	Architecting online courses · Website wireframes · Website development with Figma and Claude Code within Visual Studio · Drafting images and video with AI · Editing images and video · Drafting User Interfaces · Solving scripting problems with AI · Designing agentic AI workflows and automations · Data collection and analysis · File metadata, organization, security, and recovery

Professional Learning and Training

AI, Information Technology, and Data	2026	AI Fluency: Framework & Foundations, and AI Fluency for educators Anthropic Academy
	2025	Crash Course on Python Google
	2025	Google Prompting Essentials Google – Specialization Certificate, 4 courses
	2019	Blockchain and FinTech: Basics, Applications, and Limitations The University of Hong Kong – Professional Certificate, 3 courses
	2019	Python for Everybody (Getting Started with Python) University of Michigan
	2019	Executive Data Science Johns Hopkins University – Specialization Certificate, 5 courses

Professional Learning and Training, Continued

Business and Team Management	2026	Building High-Performing Teams **(In-progress)** Harvard Business Review – Specialization Certificate, 4 courses
	2026	Google Project Management **(In-progress)** Google – Professional Certificate, 7 courses
	2025	Google People Management Essentials Google – Specialization Certificate, 4 courses
	2024	Leading Your Team Through Change Prosci
	2022	Business Strategy and Design Pragmatic Institute
Instructional/ Learning Design and Design Thinking	2026	Foundations of Human-Centered AI Northeastern University
	2023	Mastering Design Thinking Massachusetts Institute of Technology (MIT) Professional Education
	2021	Applying the Quality Matters Rubric (APPQMR) Quality Matters
	2019	What Works in Education: Evidence-Based Education Policies Inter-American Development Bank
	2018	Design Thinking for Business Innovation University of Virginia, Darden School of Business
